WHY YOU SHOULD GET PRE-APPROVED FOR A CREDIT UNION AUTO LOAN.

The time has come to replace your road-worn clunker. But, a new set of wheels is a hefty financial commitment. Fortunately, you have options — like a vehicle loan — to help you afford your next car or truck.

You can make the process even smoother and less stressful by getting pre-approved for an auto loan. By doing so, you'll know before you go car shopping what your budget is and how much your monthly payments will be. So, rev your engines and let's get started.

THE FUTURE OF PAYMENTS IS HERE.

Most transactions have the ability to be processed and posted the **same day** they are authorized. It is important to make sure there are enough funds in your account to cover any transaction you are authorizing to be paid from your account. If **sufficient funds are not available** in your account, your account will be overdrawn.

CHECKING

By signing, I authorize TopMark FCU to advance my loan payment due date by one month and understand this will extend the maturity date of my loan(s). A fee of \$35 will be assessed per loan. This offer does not apply to real estate secured loans, credit cards, payday, mobile homes or lines of credit. All credit union loans must be current at the time of request. Interest and any charges for disability, and/or life insurance will continue to accrue for any skipped month. Offer limited to two (2) skips per calendar year. Secured loans are limited to six (6) skips over the life of the loan. If the loan includes Guaranteed Asset Protection (GAP), skipping a loan payment will reduce any GAP claim that is filed during the life of the loan. Refer to your GAP contract for applicable limits. This offer only applies to any loans that are refinanced or originated at least six (6) months prior to the skip a pay request date.
