CHECKING

By signing, I authorize TopMark FCU to advance my loan payment due date by one month and understand this will extend the maturity date of my loan(s). A fee of \$35 will be assessed per loan. This offer does not apply on real estate secured loans, credit cards, or new loans (loans with less than six payments made). All Credit Union loans must be current at the time of request. Interest and any charges for disability, and/or life insurance will continue to accrue for any skipped month. I further understand that this request does not change my legal obligation to the Credit Union. Note if your loan is paid weekly, bi-weekly, or bi-monthly, the agreement will allow you an extension for an entire month of payments. Only loans dispersed by January 1, 2017 qualify.
