51st ANNUAL MEETING

Please Join Us!

Date: March 31, 2014 | Time: 7:00 PM

(Doors open at 6:15 PM)

Location: Apollo Career Center

The purpose of the Annual Meeting is to receive and act upon the reports of the officers of the credit union, to announce results of the election of directors, and to conduct any other business that may be brought forth during this meeting.

One of the most important differences about being a member of a credit union is that every member is an owner with a voice and a vote in their financial cooperative. That difference comes to life each year as we gather as a community of member/owners for our Annual Meeting.

TRINITY
Debt Management

Avoid any Credit-Counseling Organization that:

1. Charges fees before it settles your debts
2. Guarantees that it can eliminate your unsecured debt
3. Promises it can stop all debt collection calls and lawsuits
4. Won't send you free information about its services unless you provide personal and financial information, like your credit card and bank account numbers

You can work on managing your debt by talking with a credit counseling organization. A reputable credit-counseling agency such as, Trinity Debt Management, should send you free information about its services without requiring you to give details about your situation or pay any money before they provide services. Visit them online at, www.trinitycu.com or call 1-800-758-3844.
